

KONRAD DUNSKI

konrad.dunski@gmail.com / (+44) 7801297306

I am a problem solver with a strong bias to action and always ready to adapt or pivot. I communicate clearly, learn quickly, lead by example and always strive to contribute.

I believe all the above, along with my experience, makes me a great candidate for entry/junior software developer positions.

PROJECTS

<p style="text-align: center;">Filmue</p> <p>Movie quiz web app for film buffs.</p> <p>Tech: Next.js, Typescript, React, Node.js, TailwindCSS, HTML, js-cookie, OMDb API.</p>	<p style="text-align: center;">Hoodlums</p> <p>Website for the digital art project called: Hoodlums.</p> <p>Tech: Next.js, React, Javascript, TailwindCSS, HTML.</p>
<p style="text-align: center;">Career Companion</p> <p>Final bootcamp group project: Web app helping job-hunters stay organised. Includes: job applications tracker, custom Cover Letter and CV builder and a job interview simulator.</p> <p>Tech: MongoDB, Express, React, Node.js, OpenAI API, TailwindCSS, CSS, HTML.</p>	<p style="text-align: center;">Makers BnB</p> <p>My first bootcamp group project: An Airbnb clone allowing users to list and rent spaces.</p> <p>Tech: Ruby, Sinatra, HTML, CSS, PostgreSQL, RSpec.</p>

EXPERIENCE

ADHD UK – *Volunteer Frontend Developer* (May 2023 – Jul 2023)

- Redesigned and enhanced the website's Strategy Discovery feature, improving user experience, engagement and accessibility.

Makers Academy – *Software Developer Trainee* (Jan 2023 – May 2023)

- Developed 3 full-stack web apps, including a capstone project "Career Companion", a job applications tracker with a job interview simulator powered by OpenAI API.
- Led scrum teams using Agile methodologies, pair programming and code reviews to ensure goal alignment and highest quality code.

Natterjacks, London – *Assistant Store Manager* (Oct 2010 – Apr 2022)

- Led, assessed and supported teams in achieving the KPI's.
- Increased the store's revenue by ~130% in the first 3 years and maintained it at a high level throughout my tenure.

EDUCATION

Stefan Zeromski College, Jelenia Gora (Poland)

Graduated with A-levels in Advanced Mathematics, Advanced English and Polish Literature with high grades.
